## SONG OF MARCH

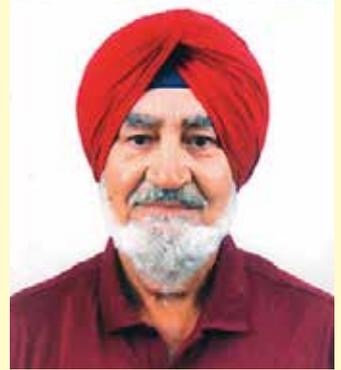

With winter's footprints in the past,  
and snows begin to melt at last.

With longer days and shorter nights,  
the wayward winds of March take flight.....

PATRICIA CISCO

Dear Members,

Finally the winter is behind us, spring is here and summer is not far behind. I for one hate the summer and have always wished that it would never come, but somehow, this time around, it is different. I have been fervently waiting for spring/summer. No guesses required as to why – the Lodhi of course. The turf – both greens and fairways had gone into hibernation and it was imperative that all measures be taken to see it through the winter. Some of these measures appeared to be harsh – what with the Lodhi being closed for maintenance for 3 days in a week instead of the customary 1 day and bringing in restrictions on playing rights and restriction on movement of carts on the Course. As a result there was considerable consternation amongst some of our members and one had to do a fair amount of explaining on this count. These restrictions were thought necessary if the immature/delicate turf was to survive through the winter. In the end, although the course still took a beating, it has survived and is well on its way to recovery. We can all heave a sigh of relief and look forward to a better golfing experience through the season.

The Club championship was held from Feb 15 to 16, 2020. Keshav Kapoor (SD-885) is the Club Champion for the second time running. Congratulations Keshav – you get a designated parking slot in Car Park No. 1. For a Club championship, the scores were not so great. Some young turks had been critical of the new greens saying that the course had become easier. However their scores belie these claims.

Some far reaching developments are taking shape which when completed should upgrade a number of our facilities. The Bag Storage area is going to be vacated and a small committee is working on how to optimally use the vacated premises. The committee's suggestions will be discussed in an Open House before they are considered by the General Committee.

On the subject of "Breaches" on account of which there are heavy outgoings annually, as a result of our efforts, there are some positive developments and I should be able to report back to you in the near future on the progress. Also, we have finally been able to obtain No Objection Certificates for setting up an ATM, setting up our STP/ETP Plant and constructing an underground parking facility. Let us see how we can take these forward.

Negotiations have started with representatives of the staff for concluding the next Wage Agreement. The 2015 Wage Agreement is taking our Club's finances south very fast and we have to make a serious attempt at arresting this trend. This might mean that we have to take a stand which then might mean some disruption in services and I am sure that you will all stand for and support the management. This is going to be a tough one.

The great Gary Player, whose firm has designed the new Greens Complexes, was to spend a few days with us and we were quite looking forward to the visit and detailed discussions on the Lodhi Course. Most unfortunately he had to cancel his visit owing to Coronavirus related issues in Abu Dhabi where he was to go from here. He has however, promised to reschedule.

**And finally dear members, DO PLEASE TAKE CARE OF YOUR COURSE. IS THAT TOO MUCH TO ASK?**

**BILLY BEDI**  
President

Dear Members,

It's been one year since the day we had a small 'Ground Breaking" on the 13th green to begin the reconstruction of the greens project!

With the cold and prolonged winter behind us, we can see the turf growth on the greens and fairways. The fairways and tees require some intense attention – this is in progress. Overall drainage has been excellent on the greens and bunker – a few spots on the fairways are being resolved. The JTP area is being redeveloped with proper greens, drainage and a bunker. We plan to have this completed and ready for use in May.

Owing to the Corona Virus outbreak, Mr. Gary Player has postponed his visit to the Club. This was a visit we were all looking forward to but The Legend's safety is paramount.

We are pleased to inform you that we have got dates for the first ever DGC Open from the Asian Tour. This will be a Marquee Tournament 'OWNED' by the DGC and an Annual Event at our Club!

I must congratulate the Lady Captain and her team for a well organised DGC Women's Open. The weather was perfect. Gauri Monga marked her return with an emphatic win!

As advised, the bag storage will be moving and I invite suggestions for use of the vacated area. A small committee has been setup to recommend some possible options.

Yogi Kapoor shared a parrot's "dance of joy" and Dr. Madan Mohan shared the old tree that resembles a peacock – nature's gift to us!!

Please do keep writing in with your comments and suggestions, Cdr Anil Rattan and his team will ensure that these are responded to and implemented where possible.

*Best wishes for a colourful HOLI and happy golfing!!*

Best regards.

SUBJECT: DELHI GOLF CLUB OPENING CANCELLATION

**CLUB EVENING, February 12, 2020**

**IN THE MONTH OF MARCH  
SEVENTY YEARS AGO**

Some important decisions taken seventy years ago soon after the founding of Delhi Golf Club Limited are reproduced below.

**Table 1**

**FOUNDING OFFICE BEARERS**

President	: Mr. Vishnu Sahay
Captain	: Mr. Bharat Ram
Hony. Treasurer	: Mr. J.D. Edwards
Hony. Secretary	: Mr. Hugh Davenport

A Committee was formed and the first Office Bearers appointed (see Table 1). It was decided that members should be invited to donate articles of furniture such as sofa sets and easy chairs.

On the 11th of March, 1950 the Committee elected 9 "A" members, 2 "B" members, 6 Temporary members and one Out Station member. At the same meeting the Club appointed its first employees (see Table 2) and, in view of the very heavy expenses incurred, a decision was taken to limit the expenditure on golf prizes to Rs. 200 and to have only engraved spoons!

**TABLE 2**

**FIRST EMPLOYEES**

Rs. 45-½-60+20 DA	: Mistry (carpenter)
Rs. 50 Fixed Pay	: Professional
Rs. 40-½-60+20 DA	: Senior Caddy
Rs. 45-½-60+20 DA	: Bearer
Rs. 30-½-60+20 DA	: Sweeper
Rs. 35-½-50+20 DA	: Chowkidar (guard)
Rs. 100 Fixed pay	: Cleark
Rs. 35-½-50+20 DA	: Malis (gardeners)
Rs. 30-½-40+20	: Beldars (kitchen assistant)

This indicated a yearly increment of the princely sum of eight annas (half a rupee)! Interestingly, one of the Bearers, Chandu Lal, had been serving the Club since

1932, which means he was there from the time the Club came into being!

At a later meeting on the 25th of March, 1950, Mrs. Kania was appointed Lady Secretary, though the Honour Board in the main Club House refers to her as Lady Captain.

The Minutes of the same meeting reveal that permission was granted to the Professional employed by the Club, Hira Lal, to open a Pro Shop.

**THE FOUNDER AND THE SAVIOUR**

Dr. Bharat Ram and Mr. Dharma Vira

**MRS. CHANDNI LUTHRA**

Mrs. Chandni Luthra, who was Editor of the Green Scene from April 2018 to December 2019 stepped down as Editor. The Management places on record its appreciation for a job done well. Mrs. Tara Laroia will succeed her as Editor of The Green Scene.

## RAGHAV CHUGH: JUNIOR NATIONAL CHAMPION

A profile

Raghav Chugh, our 16 Year old reigning World Teen Champion, who honed his golfing skills at the Delhi Golf Club since 2012, and is part of “Camp of Excellence” initiated by the Club, defended the IGU All India Junior Boys Golf Championship 2019 at Jaypee Greens Golf Club. Raghav had earlier won this Tournament in 2018 also. Rarely has anyone won the All India Championship twice consecutively, a feat accomplished by Raghav. He won the title by displaying strong will and patience to win on the 3rd playoff hole facing a determined challenge from Shaurya Bhattacharya. They were both tied at one under par after 72 holes, and then again in the playoff which Raghav finally won on the 3rd hole.

Raghav has had a fantastic 2019 in IGU tournaments, winning three out of four Zonal tournaments. He has retained the position of top Junior Golfer of India for more than the last 60 weeks, uninterrupted.

Raghav, at this young age has represented India’s Junior Golf Team to various countries. He was 13 years old when

he first travelled to South Africa and has represented the country in Vietnam, Hongkong, Thailand, Singapore, Japan, U.K. He has played golf at some of the most iconic golf courses of the world, which includes St. Andrews, Turnberry, Royal Portrush Pinehurst and Tory Pines.

He had the honour to represent India at the prestigious Duke of York - Young Champion Trophy at Royal Portrush, Northern Ireland competing against 54 National Champions of various countries of the world. Raghav had represented Team India at Asia Pacific Junior Golf Championship in Japan and also in Singapore Junior Championship.

Raghav is a Class XI student of Sri Ram School and his School has an understanding approach as he is often travelling; he never neglects his academics and is always carrying his books when he is touring and is often found studying till late at night to make up his school works.

After his schooling, Raghav’s ambition is to play College Golf in USA and for that he has to focus on his golf and academics equally.

**ACTION GALORE**

December was an action packed month at the DGC Ladies Section. The Annual Children’s Christmas Party was held in the sprawling lawns. The adults basked in the sun while the children enjoyed the pottery/ painting, various interactive games, mini golf, train rides and other activities.

Santa Claus handed out gifts to all the excited Children making it a truly Merry Xmas for them. The year ended with a Christmas Tournament on the Peacock Course. A fun filled festive afternoon had a Secret Santa with ladies exchanging Christmas gifts with fellow participants. This was followed by sumptuous Christmas lunch. The festive Red & Green clothes and the thematic Christmas décor made the afternoon a special one.

We also took this opportunity to felicitate Champika Sayal and present her with a Silver Salver for her outstanding achievements.

Sehar Atwal

Our ladies did us proud outside the DGC too. Shiraz Singh won the Runner-up Gross at the Tollygunge Ladies Open where Punam Chawla and Pamela Bhagat took home spot prizes.

Sonaal Chaudhri won the Best Gross (any one day) in the Silver Division at the BPGC Open.

Sehar Atwal has been honoured for academic and athletic excellence at the Rollins College.

The New Year began and with it our regular competitions resumed on the Lodhi Course.

In 2019 for the 1st time perhaps, the much awaited DGC Open was not held due to the Course closure – We now look forward to that from 3rd to 5th March, a “Decade” of the DGC Open 2020.

## Insha Siddique qualifies for World event

We are proud of Insha Siddique, one of our GGCP girls supported by DGC, who is the (D/o Inteqab Ali F&B staff). She has qualified for the Champion of Champions' event to be held in Ireland.

**A GENEROUS INITIATIVE**

Winters in Delhi, even though brief, are often pretty harsh and demanding on the frail constitution that we humans carry along in shape of physical body.

While the golfers and members of DGC have all the wherewithal, the caddies watchmen, labourers, staff etc. do not have the resources to withstand the cold.

At Piramal, we consider it as a privilege to be of some use to the lower strata in as many ways as possible. DGC is more like a second home. It's deeply satisfying to be of some help to the people who work tirelessly so that we can all enjoy golf and have fun at the club. Grateful to DGC for facilitating this initiative year after year.

**HARINDER S SIKKA**

Our Club member, retired IRS officer Ajay Mankotia, in his one-of-a-kind highly intriguing book, "There's Seven For You, Three For Me - Chronicles of a Taxman", has managed to offer readers the chance to explore the racy, sometimes irreverent, narrative on the lives and times of taxmen. The book launch took place on 27th November 2019.

**A UNIQUE CO-INCIDENCE**

On 16.2.2020, which happened to be his birthday, Mr. Sunil Anand (A-231) scored an ace on the 17th Hole of the Lodhi Course. He used an 8 iron & a Callaway ball for his feat. Our congratulations to him!

**WHEN THE SUN GOES DOWN**

When the sun goes down and the sea is red  
I look at the sky and I bow my head,  
Why do I do that? I wonder why –  
Must be something in the sky.

Do I look for heaven, do I see it?  
Or will it come if I just sit?  
Is it somewhere up on high,  
Is it really in the sky?

Or does calm simply descend  
When in nature we find a friend?  
The sky, the sea and the drowning sun –  
One last look as the day is done.

It is ethereal, I know that,  
The Earth is round but it looks flat.  
Illusion we find everywhere –  
Is heaven here or is it there?

Come sit with me by the sea,  
Come this evening, come with me;  
Let's find our little heaven together –  
Don't need the sun, sky or fine weather,  
Just simply need to be with one another.

25 years ago, Indian Open Golf

1. Classic Indian Open Golf Championship 1995, at our Club witnessed two Holes-in-One on the 17th - by Steve Variato and Gaurav Ghei
2. It was the first time that the Open was covered by Doordarshan, Star Tv, BTV, NDTV, RCTV, Newstrack
3. Many wives / girl friends were seen in the role of caddies.
4. The newly laid 9th green took a heavy toll of the players. Fifty five players bogied and 13 double bogied on the first day. On the final day there were 25 bogies, 7 double bogies, one triple boggie and only two birdies.
5. The sponsors conducted a Golf Quiz which was responded by almost a 1000 spectators.

MIKE, not so CUNNING

Unlike some other sports which are plagued by instances of corruption and unsportsmanlike behaviour, golf still remains a gentleman's game. Here is a glowing example of this. Mike Cunning, who finished 10th in the Open, had turned in his scorecard on the final day without checking it. On hole 18, he had a 5 but the card inadvertently entered incorrectly by his marker, read 4. Mike entered his total correctly as 73 but the recorder, on totalling the score card, changed this to 72. As the computer was also fed the same score, it showed his total for four rounds as 288.

When Cunning was given the cheque for his winnings, he refused it saying that his total was 289 and not 288 and he was entitled to a lesser amount. The rules do not provide for a penalty for the marker and hold the player solely responsible. Unfortunately, Mike, who was far from Cunning had to be DD and lost out US \$ 5,083. Fortunately, however, the game of golf had gained by his exemplary behaviour.
